Our Catalogue Autumn 2000

Dear Señor Teixidor –

enclosed please find two copies of our latest catalogue in which we proudly feature our main title:

El Hereje by Miguel Delibes

May we kindly ask you to forward one of the two copies to Señor Delibes. Lisa Grüneisen, our translator, did an excellent job with her translation and we look forward to publishing the book in August.

Alexander Dobler has surely told you that our publisher himself is on a promotion tour for the novel at the moment. He visits the one hundred most important booksellers to introduce the new book by Miguel Delibes.

With kind regards
