Querido amigo,

Creo que le oído
en la radio que usted ha ganado
el premio Cervantes. Si es así escribo
para decir '¡en la buena.' Como usted debe
saber, considero a usted ^{el} más simpático y
genuinamente novelista de la España.

Sigo practicando la caza de
zorros a caballo. La caza de faisanes
y perdices aquí ha ~~hecho~~ sido
convertido en una operación
comercial, practicado por empresarios
alemanes, japoneses etc sin
ninguna relación con la vida y
solidaridad moral. Una vergüenza.

Un saludo cordial y de admiración

Raymond Carr
